Bäste Anders Dernback!

14 juni 2019 09:22 (avsändare Bettina Stewart Billgren)

Vilken skatt du gjort att njuta av, helt otroligt fantastiskt!

Jag är Malmöflicka från början men bor nu i Stockholm, och född i Göteborg.

Jag har gjort många bildspel genom åren som jag visat på äldreboenden, men detta du gjort det slår allt.

Detta kan jag visa på tu man hand med datorn för mina klienter som alla är mellan 75 - 100 år!

En kulturgärning utan dess like. Jag tackar och niger/bugar och hoppas att du har det väl.

Min mormors familj hade landställe i Limhamn, Bellevue. Hennes pappa hade trävaruhandel och hette Ernst Lindahl. Familjen ägde hela huset på Norra Vallgatan 98. Och ett till på Västergatan.

Själv växte hag upp på Slottsgatan 18 i en underbar paradvåning. Min morfar Erik Sylvan var direktör på Svenska mejeri & kontrollanstalten. Det var en underbar tid i Malmö på 60-talet. Så tacksam för den.

Tack igen för allt ditt fantastiska arbete, hoppas du fått mycket beröm och uppskattning!

Allt gott!

# TPT is the go-to place for absolutely any learning need

## Our founding story

In 2006, Paul Edelman, a New York City public school teacher, had a light bulb moment. He noticed that his students learned best when he incorporated teaching ideas from his colleagues. In that moment, Paul saw the potential impact that sharing the work and wisdom of teachers more widely could have on education at large. So he decided to build a website where educators everywhere could share their ideas and resources.

# Where teachers share their most innovative solutions

TPT is the world's largest marketplace of PreK-12 resources, powered by a global community of experienced educators. On TPT, educators can find endless innovative and inspiring ideas to address every learning moment. For first-year teachers and 20-year veterans alike, TPT has everything educators need to bring more creativity to their instruction, better engage students, and level up their teaching skills.

★★★★★ **Extremely satisfied**

This was a terrific resource for our Building / Timber unit. Running through the slides and talking about them made for a couple of great theory lessons. Thank you for putting these online.

## Anders Dernback

Edit Profile

Anders Dernback has a great interest in the subject of history. Actually since 1974 and that is 50 years of reading and studying. The interest in making slideshows started back in 1999. The combination of liking history and making slideshows has resulted in over 6,000 slideshows being made over the years, but it might as well be 10,000. Now for the interesting part. No single person has probably posted as many slideshows on the Internet for the public as Anders Dernback. There have been over 1 million people between 2015 and 2024 who have read one of Anders' slideshows and a fantastic global presence with readers from 195 different countries. [view less](#)
